LeadingAge Illinois Session Volunteer Assistance Reply Form

LeadingAge Illinois Annual Meeting & Expo is right around the corner! We are in need of your help monitoring our educational sessions.

Ipads will already be placed inside the meeting rooms. All you need to do is remind your colleagues to scan their badges as they leave the session and help keep the line moving.

There is no public speaking required!

To volunteer, simply fill in the session numbers for the sessions for which you wish to volunteer, along with your contact information.

Your help for this important job is greatly appreciated!

LeadingAge Illinois will follow up with an email letting you know for which session(s) you will be responsible during the conference.

Sessions marked with an *asterisk continue to the next time slot. You must be available for the entire session.

Wanted! 2020 Session Volunteers
